INSIDE POLITICS FOR POLITICAL INSIDERS

New Jersey's Most Powerful Law Firms

The PolitickerNJ.com list of the State's MOST POWERFUL LAW FIRMS identifies the law firms in the state that carry the most political power – the most sway over the business of government and politics. We looked for the firms with the combination of political influence, marquee names, and access to policymakers at different levels of government. These lawyers understand how the inside political game is played and how to get results for their clients. The list will recognize and include smaller firms that play a dominate role in the workings of local government in different regions of the state.

6 Sills Cummis & Gross P.C.

Hugely influential firm, in North Jersey and Atlantic City, headed by fundraiser Clive Cummis, and increasingly, by next generation power broker Ted Zangari. They have a presence in state politics and in Atlantic City.
