UPDATING NEW JERSEY'S LIQUOR LICENSE LAWS
Smart Legislation for Development in the 21st Century

Join the Next Generation and ICSC Government Relations teams for this joint event on "New Jersey Liquor License Legislative Initiatives: Smart Legislation for the 21st Century". The panel features New Jersey State Deputy Assembly Speaker, John J. Burzichelli, who has proposed legislation for updating New Jersey liquor license laws and expanding liquor license availability in the Garden State to assist with smart development in the retail marketplace. In addition, the panel will focus on other "hot topic" issues. This is a rare opportunity to connect with state leaders to discuss how liquor licenses and legislation is handled in New Jersey.
