Program Description: Sharon Hallanan, Esq. will provide an historical perspective on the passage of the 19th Amendment and the role of New Jersey women in securing its adoption on February 9, 1920. NJ Secretary of State Hon. Tahesha Way will then speak on the Amendment's 100th Anniversary as well as provide current perspective on women's voting and engagement.

Following the dinner break, the panelists will discuss the 19th Amendment's milestone, the legacy of post 1920 efforts to expand voting rights and the obstacles women have faced along the way.

The ABA Standing Committee on the Law Library of Congress has launched a 19th Amendment traveling exhibit, "100 Years After the 19th Amendment: Their Legacy and Our Future." The six-banner free-standing exhibit features historic photos and artifacts and details the story of the battle for ratification and outlines the challenges that remain. The exhibit will be on-display in the foyer of the New Jersey Law Center from Feb 3rd to Feb 17th.
